

First Presbyterian Church Notice Regarding COVID-19 Plans

Updated February 26, 2021

With COVID vaccinations being administered, the church governing body is once again considering how and when to resume in-person worship. The decision was to wait until as many members as possible have the opportunity to receive their completed vaccinations and until an air purification system is in place in the sanctuary. Until that time, a livestream worship will be provided each Sunday at **10:15AM**. See details below. Bible Study is also offered via video conferencing as noted below.

Pastor Mike will continue to be on the job and available to minister to people's needs. Please leave a message on the church answering machine (815-772-3510) and he will return your call. Members are encouraged to call him on his cell phone directly.
